Respected Sir,

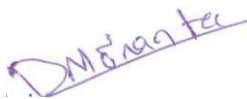

I (Laxmidhar Mohanta) was admitted in Hospital with OP NO **903001** for eye Surgery. I am working in Uttara Foods & Feeds Pvt Ltd (Village: Pullur, Taluk: Alampur Mahaboob Nagar Dist, Andhra Pradesh) for the last 5-6 years in stores Department.

I was unable to read or write due to high power (-20) even after using spectacles. But after my eye surgery in your hospital done by **Dr.L.V.Krishnam Raju** I am glad to share with you that I am able to see each & every thing very clearly & nicely. This is a miracle for me which I am unable to express in words.

I am really very very thankful to you & your team for the kindly service I have received from you and I am also thankful to **ESIC** team for the kindly help they provided to me.

Thanking you,

Yours Sincerely

Laxmidhar Mohanta
